

Press release

WEPA Group

Arnsberg, 5 October 2022

Member of the Management Board Dr. Hendrik Otto leaves the Management Board of the WEPA Group on 21 November 2022. The Management Board of the WEPA Group will then consist of five members.

With effect from 21 November 2022, Dr. Hendrik Otto will leave the Management Board of the WEPA Group by mutual best consent. Dr. Hendrik Otto served on the Management Board from February 2014, initially as Board member responsible for Human Resources and Legal Affairs, and also as Chief Operating Officer from 2016.

"Over the past eight years Dr. Otto played a major role in the developments of our family business and achieved a great deal for WEPA. On behalf of the Management Board, the owner family and the Supervisory Board, I thank him for his very successful service. He remains closely associated with the Krengel entrepreneurial family. We wish him the very best for the future," says Martin Krengel, CEO of the WEPA Group.

Chairman of the Supervisory Board Dr. Hans-Joachim Körber adds: "The Supervisory Board would like to thank Dr. Otto for his many years of very successful work for the WEPA Group. We wish him continued success and the very best for his future, both professionally and personally."

The Management Board of the WEPA Group will then consist of five members: Martin Krengel (CEO, WEPA Group), Ralph Dihlmann (CFO, WEPA Group), Harm Bergmann-Kramer (CTO, WEPA Group), Andreas Krengel (CEO, Business Unit Professional and New Business Areas) and Menno Oosterhoff (CEO, Business Unit Consumer).

WEPA Group

The WEPA Group is a future-oriented European family business specialising in the production and distribution of sustainable hygiene paper. WEPA offers sustainable and innovative hygiene solutions that provide a safe feeling of hygiene and contribute daily to the well-being of millions of people. With 4,000 employees, the WEPA Group manufactures hygiene products such as toilet paper, paper towels, tissues and napkins at 13 European sites. WEPA is among the three largest European manufacturers and leading the market in the production of hygiene paper from recycled fibre. Its annual turnover is roughly 1.3 billion euros. In the Consumer business area, WEPA is a private-label specialist for European retailers. The Professional business unit with the brands BlackSatino and Satino by WEPA stands for sustainable and professional hygiene solutions which are used, for instance, in public washrooms, the industry, offices or health care facilities. The WEPA Group has its registered office in Arnsberg, North-Rhine Westphalia, Germany.
